Sir,

Subject - Incurring of an expenditure of R 100/- per each Mohalla Day

-O-

Ref - Government Order No L 7709-MO/CL 3-53-87 dated 30-9-1953

In the above Government order referred to, the Government were pleased to sanction the resolution of the Council for incurring an expenditure of Rs 100/- for each Mohalla Day for one year as an experimental measure ~~for one year~~, out of the provision under E1-(8) of the budget estimates This could not be operated up during last year for want of a Magnetic Recorder which purchased on a separate Government Order Arrangements are being made for the conduct of Mohalla Day on the last Saturday of every month, after effecting an intensive cleaning and minor repair work in a selected area, inspection of houses for award of prizes to best kept houses intensive mass vaccination and antenatal examinations etc , in the morning followed by an assembly in the evening when lectures on hygine and civics are delivered by distinguished persons and also films are displayed through the Magnetic recorder

Usually the expenditure will be Rs 100/- per month As the present order of Government is only for a specific period it has not been possible to incur expenditure on this amount and the expenditure for a Mohalla day held in January 1956 is held under objection

The subject of obtaining a general sanction was informally brought before the Council at their adjourned meeting held

P T O

held on 6-2-1956 and it was the opinion that the general sanction might be obtained and an expenditure for the months of January, February and March 1956 incurred pending Government sanction during the current year A formal resolution in this behalf will be obtained and communicated during the course of this month In the mean time to avoid objections to the incurring of the expenditure necessary act on may be taken to obtain a general government sanction for incurring the expenditure of Rs 100/- per Mohalla day, the cost being metout of L1 (E) propaganda

Sir,

Subject - ~~Increasing~~ Incurring of an expenditure of Rs 100/- for each Mohalla Day- Mysore City Municipality
=O=
Ref - Your letter No.546 dated 11-4-1956
=O=

I enclose herewith the copy of the Audit observation in the above connection From a perusal of the budget estimate for 1955-56, it will be seen that a sum of Rs 8,500/- had been provided for under E1(8) propaganda work and the expenditure in connection with Mohalla Day was proposed to be charged off against this head The Audit observation was that the debiting of the expenditure against this item in the absence of a specific earmarked provision(as " For Mohalla Day") under the item E1(8) propaganda or in the absence of a Government order to charge the expenditure to this head, it was incorrect to admit the claim Since the Government order dated 30-9-1953 adverted to in my original letter (being current only for one year), was inoperative, and since there was no specific provision made for Mohalla Day under E1(8) propaganda,during 55-56, sanctioning of Government was sought for with a view to regularise the expenditure

This has been taken due note of while preparing the budget estimates for 1956-57 and specific earmarked provision has been made for incurring expenditure on Mohalla Day celebrations

In these circumstances and further to facilitate easy despatch of work in future I request that orders of Government may kindly be obtained

P T O

to incur an expenditure of Rs 100/- at each Mohalla Day the cost being debited to E1(8) Health propaganda, and for empowering the Health Officer to incur the same as resolved by the Council
